2024 International Prospectus

Discover New Zealand – one of the world's best places to live and study

If you like the idea of studying in a one-of-a-kind country that has some of the most breathtaking scenery in the world, as well as an easy-going culture with an array of outdoor activities available, then New Zealand could be the place for you.

Not only does New Zealand have an excellent education system with student support, where you can develop both your skills and talent while achieving internationally accredited qualifications; New Zealand also offers ample research opportunities across a variety of sectors.

As for experiencing both study and life in New Zealand, the benefits extend beyond the norm. From pristine sandy beaches to rolling green hills; lush rainforests to snow-capped mountains, you can explore the stunning, diverse natural landscape by land, sea or air. You'll be joined by friendly people in a multi-cultural environment.

Two major North Island cities – Auckland and Hamilton – are home to New Zealand Skills and Education Group's campuses where you'll find unique and exciting academic programmes. Auckland consistently rates as one of world's most livable cities – offering a top-notch quality of life amongst a cosmopolitan hub of activity. At the centre of one of the richest agricultural and pastoral areas in the world, Hamilton is a thriving service centre.

1st

During New Zealand's spring and summer, it is the first major country to see the sunrise – making it also the first major country in the world to welcome the New Year.

15+

For more than 15 years, New Zealand has been consistently ranked in the top six as the most peaceful country on Earth by the Global Peace Index – Institute for Economics & Peace.

45%

A preferred study destination, New Zealand has a high intake of international students – 45% of tertiary students in 2020 were from outside New Zealand.

About Us

New Zealand Skills and Education Group is a trusted education and training group comprised of four organisations offering an array of differing programmes and disciplines, for both domestic and international learners.

New Zealand Skills and Education Group (NZSEG) delivers exciting, educational experiences that transform lives and equip students with sound industry-focused professional development, foundation to certificate to diploma level accreditation, customised skills training and English language studies. Our aim is to provide students wraparound support to study and work in New Zealand and progress to their future success in the chosen career pathway.

Excellence in English Language Teaching

SEAFIELD
School of English

Seafield School of English

Based in the vibrant and exciting city of Auckland, Seafield offers a wide variety of English courses for all skill levels. Within our student-centered environment, Seafield's expert team of tutors ensures that you can learn at your own pace during quality courses so that you can focus on improving your English language ability.

Upon completing your study, you'll receive new opportunities: You'll be prepared for job roles that require a basic level of English comprehension. Advance in unique English-speaking educational programmes, and progress in your career. Alternatively, you can continue your English-speaking studies to achieve higher levels of competency.

Highest Ranking by NZQA

Seafield School of English is approved by the New Zealand Qualification Authority (NZQA) as Category 1 provider, which is the highest ranking given by NZQA for showing their confidence in our education performance and our self-assessment processes.

A member of English New Zealand

Seafield School of English is a proud member of English New Zealand. Students from around the world enjoy a high-quality English language experience and an unforgettable life experience when they choose an English New Zealand school.

LanguageCert Approved Testing

Seafield School of English is also an approved LanguageCert (IESOL) Testing Centre. Candidates taking LanguageCert exams at approved Test Centres can be confident in a reliable, stress-free and familiar setting.

Further Study & Career Pathway

LanguageCert (IESOL) Testing Centre

Seafield offers LanguageCert International ESOL (English for Speakers of Other Languages) exams.

As an approved Test Centre we focus on exams that cater to International Students

- Meets the English Language criteria to enter universities and polytechnics in New Zealand
- B2 Communicator, High Pass: Entry into Level 5 qualifications
- C1 Expert, Pass: Entry into Level 6 and 7 qualifications
- C1 Expert, High Pass: Entry into Level 8, 9 and 10 qualifications
- LanguageCert International ESOL
- Separate Written Exams (Listening, Reading and Writing) and Spoken Exams (Speaking), leading to two separate certificates

General English

Seafield's General English programme is designed for learners that wish to improve their English language skills at any level for any purpose. Course material is both engaging and relevant for a variety of study intentions, for those wanting to learn English for life in New Zealand or for employment; English for proficiency test preparation or English for tertiary study.

Standard courses are available in both morning and evening; Intensive course are also on offer and include an afternoon elective class. We allow our learners the freedom to move between the different timings of our courses so their study can be flexible to changes in work and lifestyles. Classes are level-based: Beginner to Advanced levels*.

Seafield's General English programme has a comprehensive six-weekly testing cycle so that you'll have the opportunity to learn, measure their learning and have their improvements reflected in their level.

(Maximum class size: 16-18 students – 20 class hours/week)

Standard Daytime classes

8.30am to 12.45pm or
12.45pm to 5.00pm
Monday to Friday

Standard Evening classes and teacher-led tutoring

5.00pm to 9.30pm
Monday to Friday

IELTS Preparation

Our IELTS preparation programme is designed for learners in preparation for taking IELTS (International English Language Testing System). Learners should have a level of English of Intermediate (B1+) or higher to benefit from the classes, and should be aiming for an IELTS band score between 5.5 and 7.0. Our experienced tutors will provide the learning for the different question and task types, effective vocabulary and exam techniques that will help them achieve their target band score.

(Maximum class size: 20 students – 20 class hours/week)

"I have benefited greatly from my studies with Seafield. My skills have progressed, including grammar, academic writing and conversational English and have prepared me well for my future studies."

Nanami Hayashi
Japan

NZ Certificate in English Language (Applied)

DURATION: 17 weeks
CREDITS: 60 Credits
DELIVERY: Auckland CBD | Online (for off-shore students)

Student & Career Support

Pre-Arrival Advice and Information

Leaving home can feel as overwhelming as it feels exciting. For valuable info and advice, visit our website and before embarking on your academic journey. Also, by joining our social communities and reading our email newsletters, you will have a smoother transition to higher studies as an international student.

Pastoral Care

Embracing the diversity of our students, our friendly and approachable student support team is always available to help you achieve your academic and personal goals, both inside and outside of class.

Social Activities

By making new friends with other domestic and international students you'll enjoy a healthy social life. You'll be invited to many events and activities throughout the year so that you won't feel alone.

Career Services

Supporting you in unlocking your career potential is one of our biggest aims at NZSE. We do this by helping you navigate your education and career journey through:

One-on-one career coaching, which includes care and advice for your transition into part-time, full-time or casual employment.

Targeted employability workshops to fine tune your job-ready skills.

Connecting both students and graduates with employers and industry for the latest labour market information.

Orientation

While welcoming you, our comprehensive orientation programme is designed to give you essential information so you can navigate your new environment, stay safe and succeed in your academic journey with us in New Zealand.

Your Student-Centric Journey

As a student at NZSEG you'll be part of a welcoming, supportive, and inspiring community where you will feel uplifted as you broaden your horizons. Within a stimulating and active learning environment, NZSEG has students' best interests at heart so that you can achieve both your academic and career goals. NZSEG supports you through the whole journey from study to work in New Zealand. Through shared experiences, you'll create relationships that endure – a place where you can be you, and where you belong.

● Earn while you learn

We will support you in finding part-time job opportunities during your time of study. This provides you with valuable work experience during which you will gain understanding of New Zealand's culture, society and work environments.

● Employment support

One-on-one career coaching is a key part of your student journey at NZSEG, and we'll help you get ahead as you transition into part-time, full-time or casual employment.

Targeted employability workshops empower you with the fine-tuning of job-ready skills.

Become connected – as a student or graduate – with employers and industry and access the latest labour market information.

● Wrap-around student support

Your wellbeing, safety and welfare are of utmost importance to us. We have a team of pastoral care experts offering wrap-around support to make your student journey a memorable and comfortable one.

● Value added industry certifications

Become qualified and receive relevant industry certifications that align with your chosen pathway – with our help. Our inspiring and highly qualified teaching faculty will provide consultation, support, and facilitation of the applicable and most up-to-date industry certification, along with offering First Aid Certification.

Qualification and skillset

With unique programmes designed to help you stay on top of your studies, become equipped with the relevant skills required to progress confidently into the workforce or higher studies. Our experienced, friendly staff will help you develop transferrable life skills that can be applied across a range of settings so that you always stay one step ahead, and become an expert in your field.

How to Apply

Keen to study at NZSEG?

Follow these simple steps to begin your academic journey with us.

STEP 1: Contact Us

If you are interested in studying one of our courses or want to know more, contact us through email or phone and we'll be happy to discuss NZSEG's study options with you.

STEP 2: Supply any additional information

The programme you apply for may require additional documentation such as a portfolio (this is discussed in step 1). If this is the case, please supply any additional information necessary.

STEP 3: Submit Application

Once we have organised your course of study, provide your details on the Student Application Form. Do this in-person while speaking to one of our team or download a copy from our website and email to: study@nzse.ac.nz or study@seafield.ac.nz

STEP 4: Enrol

If your application is successful, you will receive an offer of study, which outlines the next steps in your journey.
